Betty Hansen Educational Grant: Eligibility, Timeline and Deadlines

The Danish Sisterhood of America is very proud of its Scholarship and Grant Program. We have four different scholarships, one of which presently offers six awards per year, and one grant program offering ten awards annually—five are awarded in **March** (the “January Round”) and five in **October** (the “August Round”). These scholarships and grants are available to members of the Danish Sisterhood and their children, regardless of age.

Our Scholarship and Grant Program is made possible through generous endowments and memorial funds and are being supplemented by donations from individual members, lodges, and districts of the Danish Sisterhood. No membership dues are used to support these scholarships and grants.

At the time when the scholarship and grant funds were established, the donors—all with strong ties to the Danish Sisterhood—made stipulations regarding eligibility, to which we are legally bound to adhere by.

The longevity of the scholarship and grant programs is dependent upon investment returns as well as donations. Such donations are crucial to the program’s continuance—and are very much appreciated.
